Italy	**Mothertongue**	
English	**Intermediate**	*conversationally fluent, some troubles by phone*
German	**Beginner**	*studying*

Interests

Gamer	*ex pro-gamer*
Ski	*parents from Trentino-Alto-Adige*
Futsal	

Additional Informations

I am a 100% deaf guy, with cochlear implant

I have no troubles on hearing on normal work spaces, only troubles I can get is when I have phone calls on English and when I am on noisy places

Said this, I obviously have **superpowers**, the best one is that I can stay in open spaces, and never be disturbed

So, if you want to reach me, you better use some video call programs / chat programs
